

Go to [jmp.com/student](https://jmp.com/student). Select **Get JMP for free!**

Select **Get started at MyJMP** on the instruction page.

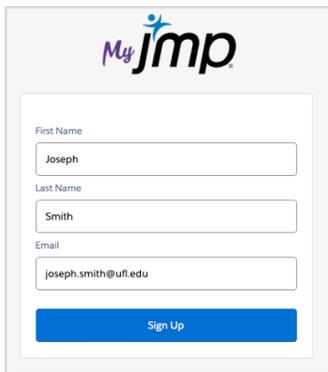

A screenshot of the JMP Student Edition instruction page. The page has a blue header with the text "JMP® Student Edition Help master statistics quickly – and have fun doing it." Below the header, it states: "Free for qualified\* students, faculty, and academic researchers. Free 12-month subscription to leading statistics software used by industry professionals worldwide." The main heading is "Follow these four steps to get started with JMP". There are four numbered steps: 1. Sign in to My JMP (Once you have read through these steps, click on the blue button below to sign in to My JMP. Use the email address you use to log in to your school's or university's portal.) 2. Tell us about you and your studies (Identify your affiliation as a student, instructor, or academic researcher and provide the details related to JMP's intended use, along with your location. Click Next.) 3. Authenticate (Select your school or university from the list and provide your login credentials as usual. No personal data will be transmitted; we simply receive a notification that your login was successful.) 4. Download, install, and authorize (Follow the onscreen instructions to download the installer file for Windows or Mac. Install and authorize JMP Student Edition.) Below the steps, it says "Let's get started with Step #1" and features a blue button labeled "Get started at My JMP". At the bottom, a small disclaimer reads: "\*Students, instructors, and academic researchers must be currently enrolled at or employed by a degree-granting institution. Academic research is defined as noncommercial work that will be published in a journal, presented at an academic conference, or shared for the public good."

- 1a. You will be asked to sign-in to your MyJMP account. If you don't have one, select **Sign Up**.

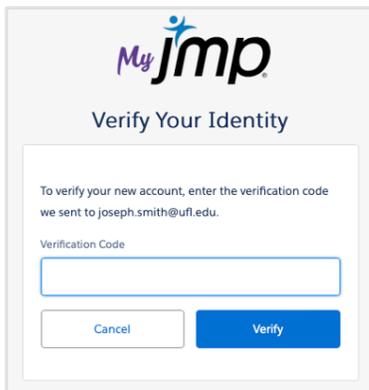

The screenshot shows the MyJMP sign-in interface. At the top is the MyJMP logo. Below it is a white box containing an "Email" label and a text input field. A blue "Sign in" button is positioned below the input field. In the bottom right corner of the white box, there is a small "Sign Up" link.

- 1b. Provide the requested information.  
**Note:** You need to use your email address from your academic institution.

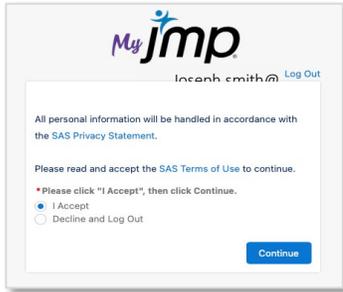

The screenshot shows the MyJMP sign-up form. It features the MyJMP logo at the top. The form consists of three stacked text input fields: "First Name" (containing "Joseph"), "Last Name" (containing "Smith"), and "Email" (containing "joseph.smith@ufl.edu"). A blue "Sign Up" button is located at the bottom of the form.

- 1c. Enter the verification code sent to your email.

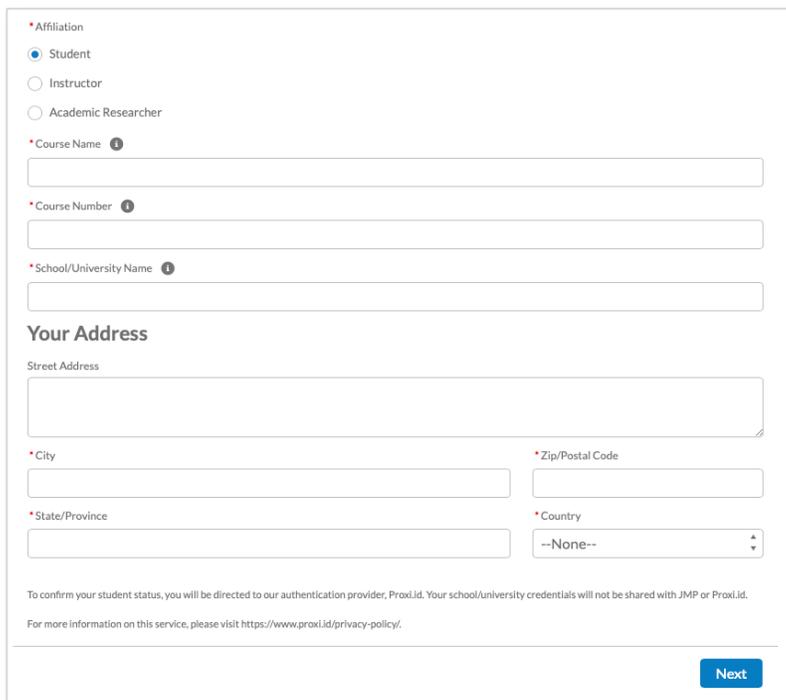

The screenshot shows the MyJMP verification page. At the top is the MyJMP logo, followed by the heading "Verify Your Identity". Below this is a message: "To verify your new account, enter the verification code we sent to joseph.smith@ufl.edu." Underneath the message is a "Verification Code" label and a text input field. At the bottom of the form are two buttons: a white "Cancel" button and a blue "Verify" button.

1d. Read and accept Terms of Use (if prompted).

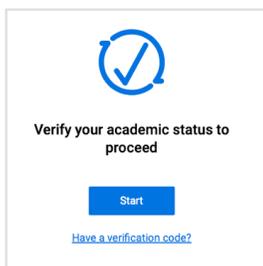

2a. Provide the requested information regarding your affiliation with your school.

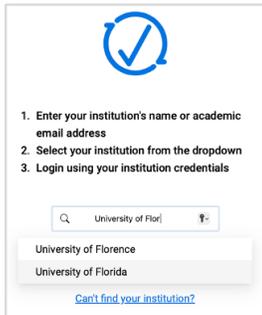

The screenshot shows a form with the following sections and fields:

- Affiliation:** Three radio button options: "Student" (selected), "Instructor", and "Academic Researcher".
- Course Name:** A text input field with an information icon.
- Course Number:** A text input field with an information icon.
- School/University Name:** A text input field with an information icon.
- Your Address:** A section header followed by several input fields:
  - Street Address:** A large text input field.
  - City:** A text input field.
  - Zip/Postal Code:** A text input field.
  - State/Province:** A text input field.
  - Country:** A dropdown menu with "--None--" selected.
- Footer:** A line of small text: "To confirm your student status, you will be directed to our authentication provider, Proxi.id. Your school/university credentials will not be shared with JMP or Proxi.id. For more information on this service, please visit <https://www.proxi.id/privacy-policy/>." and a blue "Next" button.

2b. Click **Start** to verify your academic status.

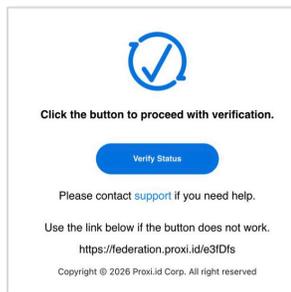

- 2c. Enter the name of your institution and select from the list provided in the dropdown. If your institution is not listed, select **Can't find your institution?** You will be prompted to provide an email address. You need to use your academic email address.

A screenshot of a web interface for selecting an institution. At the top is a blue circular icon with a checkmark and a refresh symbol. Below it are three numbered instructions: 1. Enter your institution's name or academic email address, 2. Select your institution from the dropdown, and 3. Login using your institution credentials. There is a search input field containing "University of Flor" and a dropdown menu showing "University of Florence" and "University of Florida". A blue link "Can't find your institution?" is at the bottom.

You'll receive an email with a link to verify your academic status.

A screenshot of a verification page. It features the same blue circular icon at the top. Below it is the instruction "Click the button to proceed with verification." followed by a blue "Verify Status" button. Further down, it says "Please contact support if you need help." and "Use the link below if the button does not work." with the URL "https://federation.proxide3IDs". At the bottom, it reads "Copyright © 2026 Proxi.id Corp. All right reserved".

- 2d. You'll be sent to your institution's unique login page to verify your affiliation with your school. Login with your username and password for your institution.

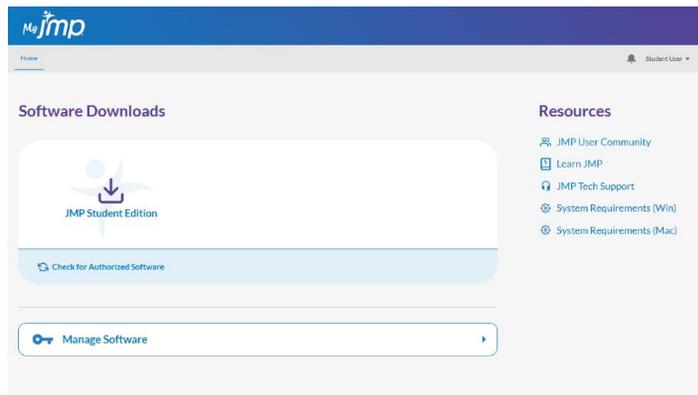

**Note: JMP does not receive your login credentials.**

The screenshot shows the Proxi-ID login interface. At the top, there are navigation links: CHANGE PASSWORD, FORGOT/RESET PASSWORD, CREATE ACCOUNT, and TROUBLE SIGNING ON?. The main heading is 'proxi-ID' with the subtext 'LOGIN TO PROXI.ID FEDERATION PROVIDER'. Below this, it says 'The Proxi.id Federation Provider'. The login form includes a Username field with 'GatorLink Username' and a Password field. A LOGIN button is at the bottom left. On the right, a privacy notice states: 'You are logging in to a University of Florida (UF) Information system and agree to comply with the UF Acceptable Use Policy and Guidelines. Unauthorized use of this system is prohibited and may subject the user to criminal and civil penalties. UF may monitor computer and network activities, and the user should have limited expectations of privacy.'

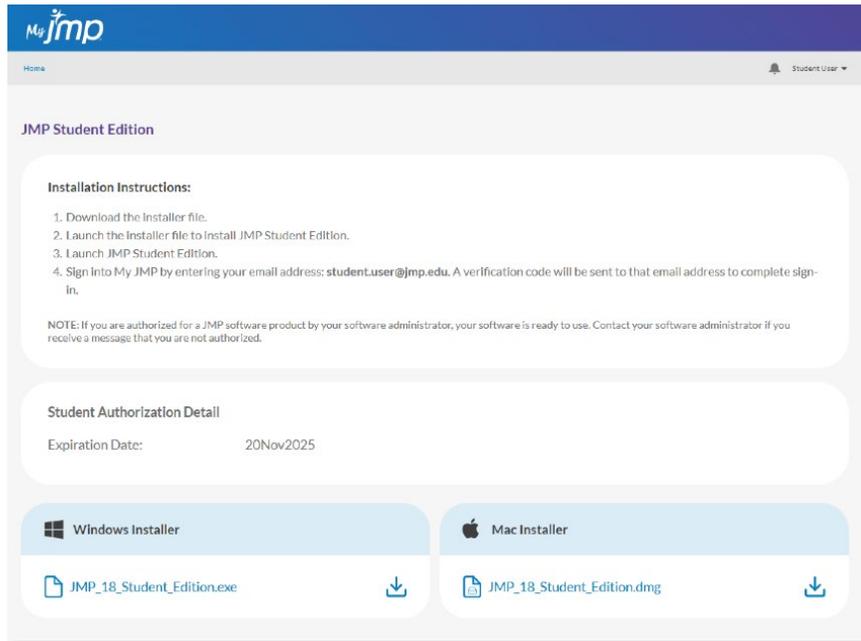

Some users may be asked to provide additional proof of eligibility and be directed to a page to submit proof. If so, see step 2d(1) in the Appendix.

Some users may be initially blocked from verification and will be required to complete a form to release the block. If so, see step 2d(2) in the Appendix.

- 3a. Once verified, you will be automatically sent to the download page showing the available software associated with your MyJMP account. Select the **JMP Student Edition** icon. If you do not see this page, log back into your MyJMP account at <https://my.jmp.com>.

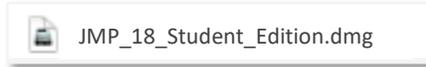

- 3b. Choose to download the correct version for your operating system.

- 3c. Double-click the installer downloaded onto your computer to launch.
- 3d. Follow the steps for the operating system selected to install JMP Student Edition.

## Installing JMP Student Edition for Mac operating system:

- MAC 1.** The JMP Installer will be downloaded to your computer. Depending upon the speed of your internet connection, this may take a few minutes. The file will appear in your Downloads folder.

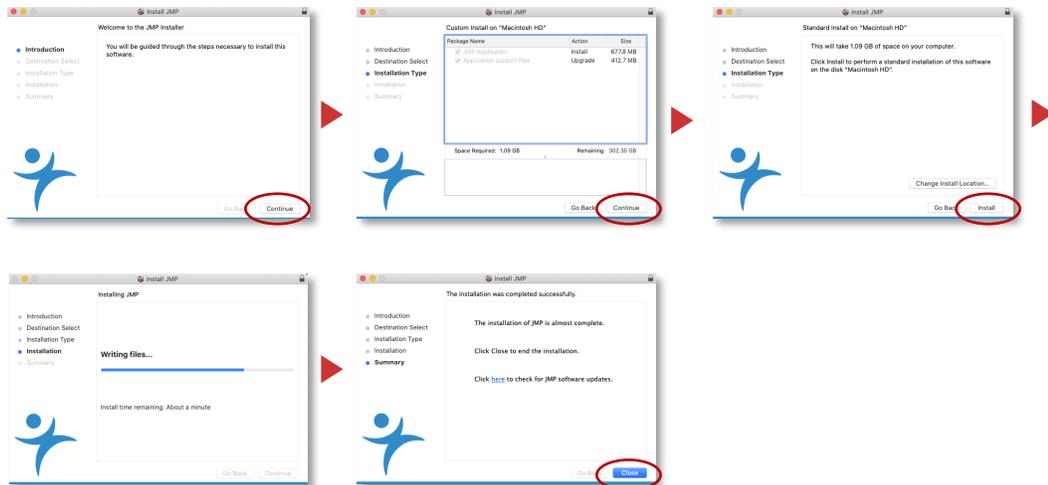

- MAC 2.** Open the JMP Installer by double-clicking on the file.

- MAC 3.** The JMP Installer window will open. To begin the installation process, double-click on the JMP.pkg file.

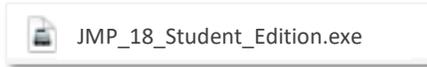

- MAC 4.** Follow the steps to install JMP Student Edition by selecting **Continue**. Next, click **Install**. Click **Close** when completed.

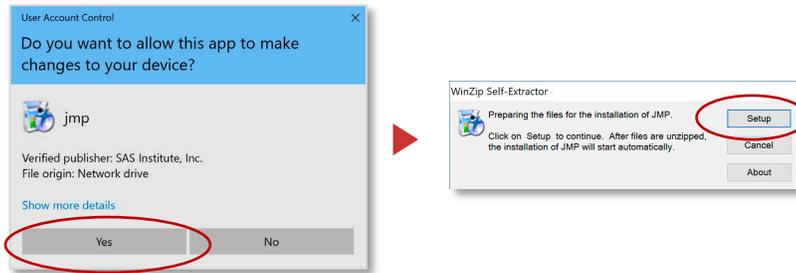

### Installing JMP Student Edition for Windows operating system:

**WIN1.** The JMP Installer will be downloaded to your computer. Depending upon the speed of your internet connection, this may take a few minutes. The file will appear in your Downloads folder.

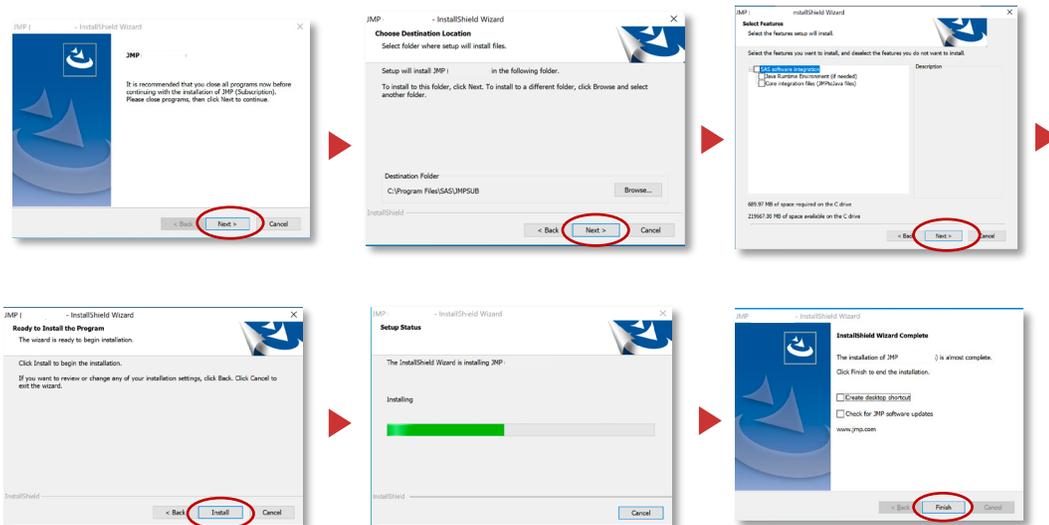

**WIN2.** Open the JMP Installer by double-clicking on the file.

**WIN3.** To begin the installation process, confirm that you wish to allow the app to make changes to your device by clicking **Yes**. Then choose **Setup** to extract the installation files.

**WIN4.** Follow the steps to install JMP Student Edition by selecting **Next**. Click **Install** and then **Finish** when completed.

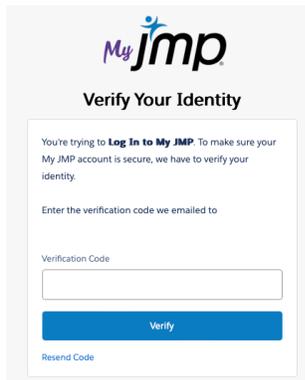

## Opening JMP Student Edition

When you launch JMP Student Edition for the first time, you'll be prompted to activate it by logging into your MyJMP account via your email.

The screenshot shows the MyJMP login interface. At the top is the MyJMP logo. Below it is a form with an "Email" label and a text input field. A blue "Sign In" button is positioned below the input field. To the right of the button is a "Sign Up" link. At the bottom right of the form is an "English" language selector with a globe icon.

A verification code will be sent to your email. Enter it and then click **Verify**.

The screenshot shows the "Verify Your Identity" page. It features the MyJMP logo and the heading "Verify Your Identity". The main text reads: "You're trying to **Log In to My JMP**. To make sure your My JMP account is secure, we have to verify your identity." Below this is the instruction "Enter the verification code we emailed to" and a "Verification Code" label above a text input field. A blue "Verify" button is located below the input field. At the bottom left is a "Resend Code" link.

**JMP provides free resources to help you learn to use the software quickly and efficiently for your class.**

- **New to JMP?** Begin with our 45-minute [Getting Started with JMP](#) tutorial.
- **How do you perform specific analyses?** The [Learning Library](#) provides two-minute videos with step-by-step instructions and corresponding one-page summaries for most of the common analyses in statistics courses.
- **Looking for more learning resources?** Visit the [academic webinar library](#) or [Learn JMP](#) for other learning materials.
- **Have other questions?** Head over to the [JMP User Community](#) to interact with other users and find the latest information.

## APPENDIX

If you are unable to successfully complete the download/installation process, visit our [FAQ page](#) for answers to problems that you may be having.

**2d(1).** If you were sent to a page that is not associated with your institution to verify that you are a student, faculty, or researcher at an academic institution, complete the requested information.

### Submit Proof of Eligibility

Please complete the form below to submit proof of eligibility.

<b>First Name *</b> <input type="text" value="First Name"/>	<b>Last Name *</b> <input type="text" value="Last Name"/>
<b>Email Address for Verification*</b> <input type="text" value="Email Address for Verification"/>	<b>Affiliation *</b> <input type="text" value="Click to select"/>

Please use your institution email address if one was provided to you.

**Product, Service, Program, or Offer**

**File Upload\***

All documentation must show the date and your name. Only images & PDFs will be accepted - 15MB Limit for All Files

<b>Accepted documents include:</b> <ul style="list-style-type: none"><li>Institution identification card (include picture of front &amp; back)</li><li>Class registration</li><li>Class schedule</li><li>School bill</li></ul>	<b>Unaccepted documents include:</b> <ul style="list-style-type: none"><li>Personal photos</li><li>Resumes</li><li>Class acceptance letters</li><li>Class syllabus</li></ul>
