

Go to [WWW.JMP.COM/STUDENT](https://www.jmp.com/student). Select “Get JMP for free!”

Select “Get Started at My JMP” on the Instruction Page.

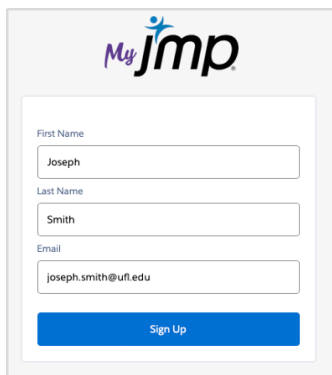

- 1a. You will be asked to sign-in to your MyJMP account. If you don't have one, select sign-up.

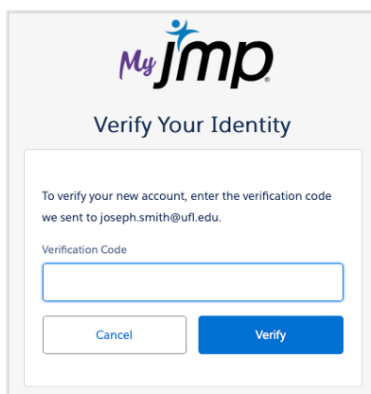

The screenshot shows the MyJMP login interface. At the top is the MyJMP logo. Below it is a white box containing an email input field, a blue 'Sign in' button, and a smaller 'Sign Up' link at the bottom right.

- 1b. Provide requested information.  
**Note:** You need to use your email address from your academic institution.

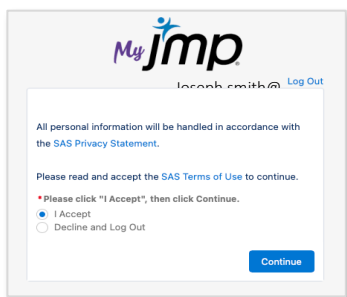

The screenshot shows the MyJMP registration form. It includes fields for 'First Name' (filled with 'Joseph'), 'Last Name' (filled with 'Smith'), and 'Email' (filled with 'joseph.smith@ufl.edu'). A blue 'Sign Up' button is at the bottom.

- 1c. Enter Verification Code sent to your email.

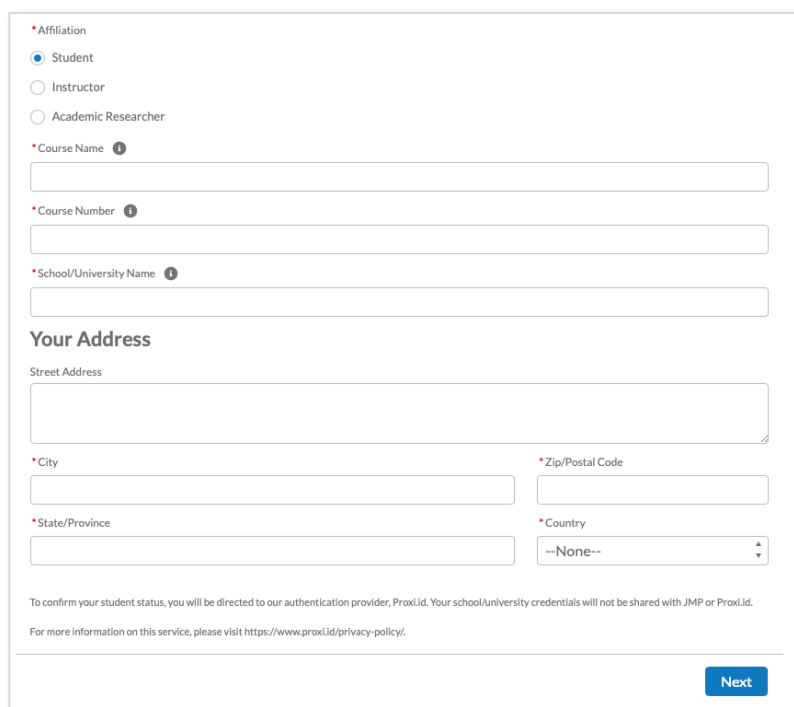

The screenshot shows the 'Verify Your Identity' screen. It features the MyJMP logo and the title 'Verify Your Identity'. Below is a message: 'To verify your new account, enter the verification code we sent to joseph.smith@ufl.edu.' There is a 'Verification Code' input field, a 'Cancel' button, and a 'Verify' button.

- 1d. Read and Accept Terms of Use (if prompted).

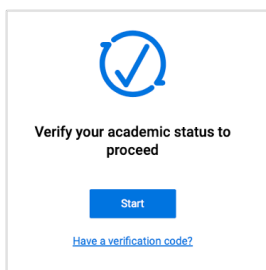

The screenshot shows the 'My JMP' login interface. At the top, there's a 'Log Out' link next to the user email 'jacob.smith@'. Below this, a message states: 'All personal information will be handled in accordance with the SAS Privacy Statement.' This is followed by a prompt: 'Please read and accept the SAS Terms of Use to continue.' Below the prompt, there are two radio button options: 'I Accept' (which is selected) and 'Decline and Log Out'. A blue 'Continue' button is located at the bottom right of the form.

- 2a. Provide requested information regarding your affiliation with your school.

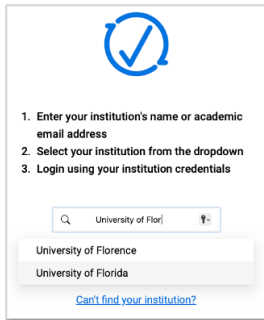

The screenshot displays a form for providing affiliation and address information. The 'Affiliation' section has three radio button options: 'Student' (selected), 'Instructor', and 'Academic Researcher'. Below this are three text input fields for 'Course Name', 'Course Number', and 'School/University Name', each with an information icon. The 'Your Address' section includes a 'Street Address' text field, and then two columns of fields: 'City', 'State/Province', and 'Country' on the left; and 'Zip/Postal Code' and a dropdown menu (currently showing '--None--') on the right. At the bottom, there is a disclaimer about Proxi.id and a link to the privacy policy, followed by a blue 'Next' button.

- 2b. Click Start to verify your academic status.

The screenshot shows a verification prompt with a blue circular icon containing a checkmark. Below the icon, the text reads: 'Verify your academic status to proceed'. There is a blue 'Start' button. At the bottom, there is a link that says 'Have a verification code?'.

- 2c. Enter the name of your institution and select from the list provided in the dropdown. If your institution is not listed, select can't find my institution. You will be prompted to provide an email address. You need to use your academic email address. A verification code will be sent to your email in that case.

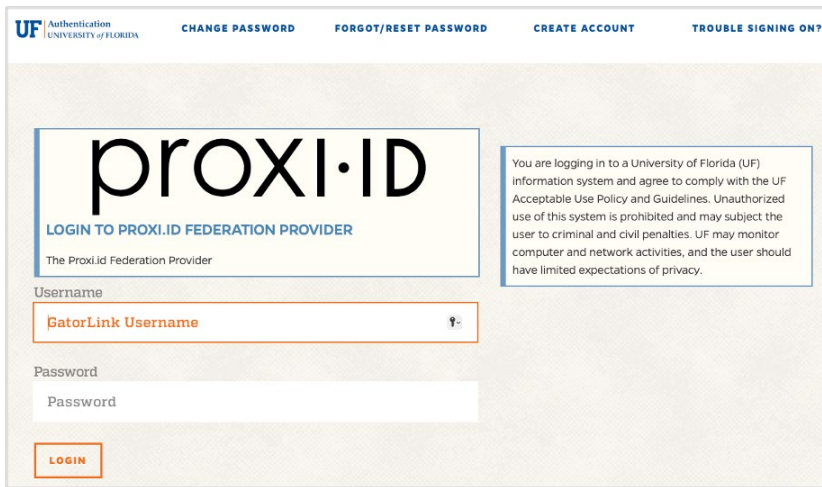

1. Enter your institution's name or academic email address  
2. Select your institution from the dropdown  
3. Login using your institution credentials

You are logging in to a University of Florida (UF) information system and agree to comply with the UF Acceptable Use Policy and Guidelines. Unauthorized use of this system is prohibited and may subject the user to criminal and civil penalties. UF may monitor computer and network activities, and the user should have limited expectations of privacy.

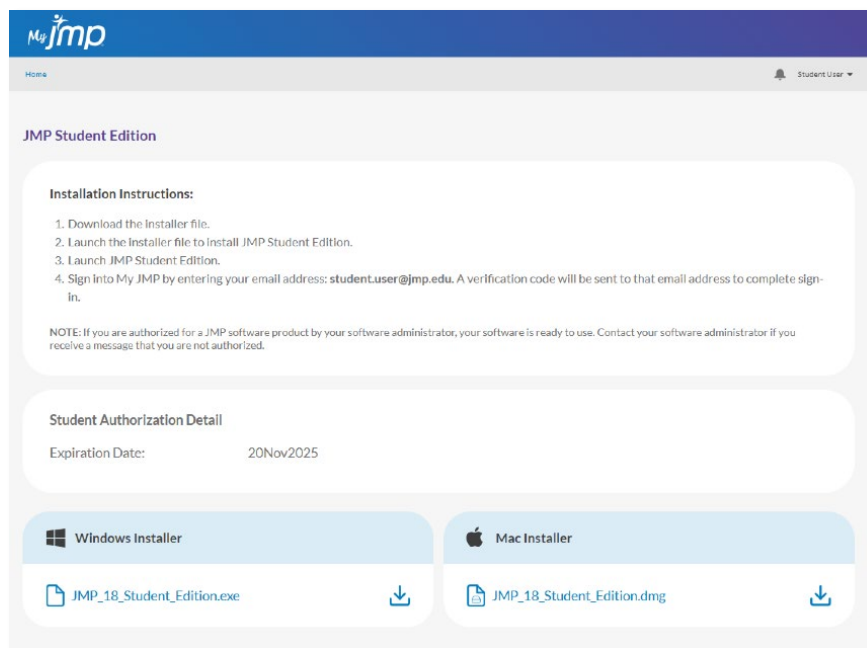

\* Some users may be asked to provide additional proof of eligibility and be directed to a page to submit proof <see step 2d(1) in the Appendix>.

\*Some users may be initially blocked from verification and will be required to complete a form to release the block. <see step 2d(2) in the Appendix>.

- 3a. Once verified, you will be automatically sent to the download page showing the available software associated with your MyJMP account. Select the JMP Student Edition icon.
- If you do not see this page, log back into your MyJMP account at: <https://my.jmp.com>.

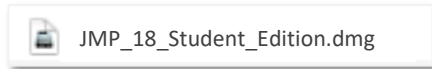

- 3b. Choose to download version for your Operating System.

- 3c. Double-click the Installer downloaded onto your computer to launch.
- 3d. Follow the steps for chosen operating system to install JMP® Student Edition.

## INSTALLING JMP® STUDENT EDITION FOR MAC OPERATING SYSTEM

- MAC 1.** The JMP Installer will be downloaded to your computer.  
Depending upon the speed of your internet connection, this may take a few minutes. The file will appear in your Downloads folder.

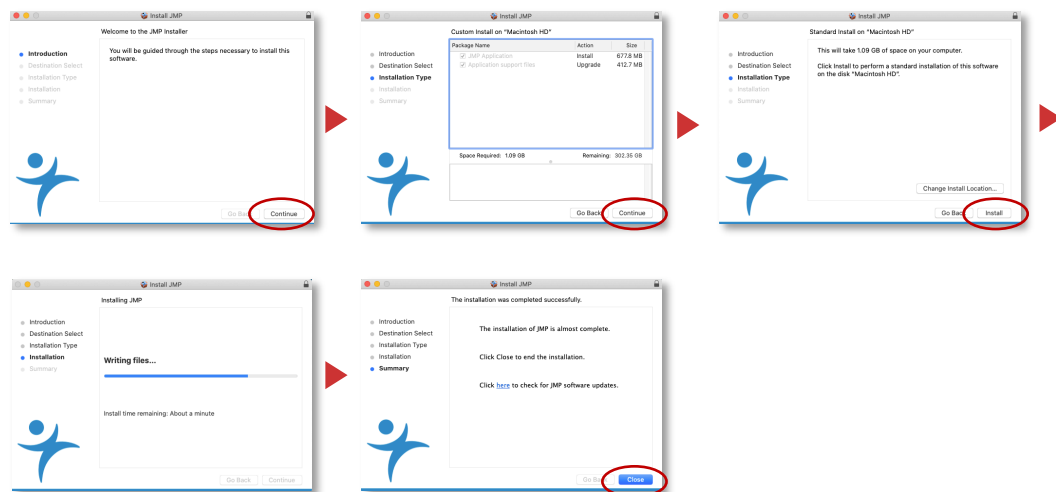

- MAC 2.** Open the JMP Installer by double-clicking on the file.

- MAC 3.** The JMP-Installer window will open. To begin the installation process, double-click on the JMP.pkg file.

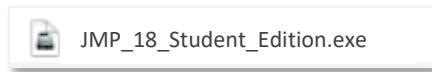

- MAC 4.** Follow the steps to install JMP® Student Edition by selecting Continue, Install, and then Close when completed.

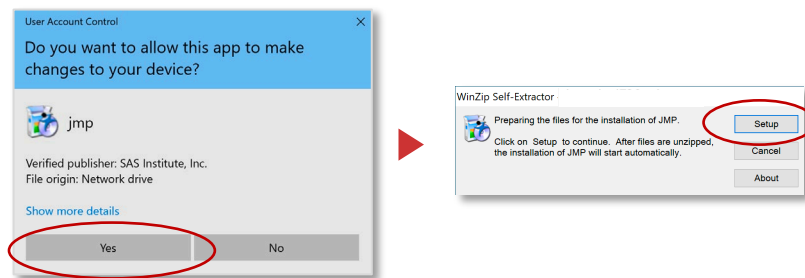

## INSTALLING JMP® STUDENT EDITION FOR WINDOWS OPERATING SYSTEM

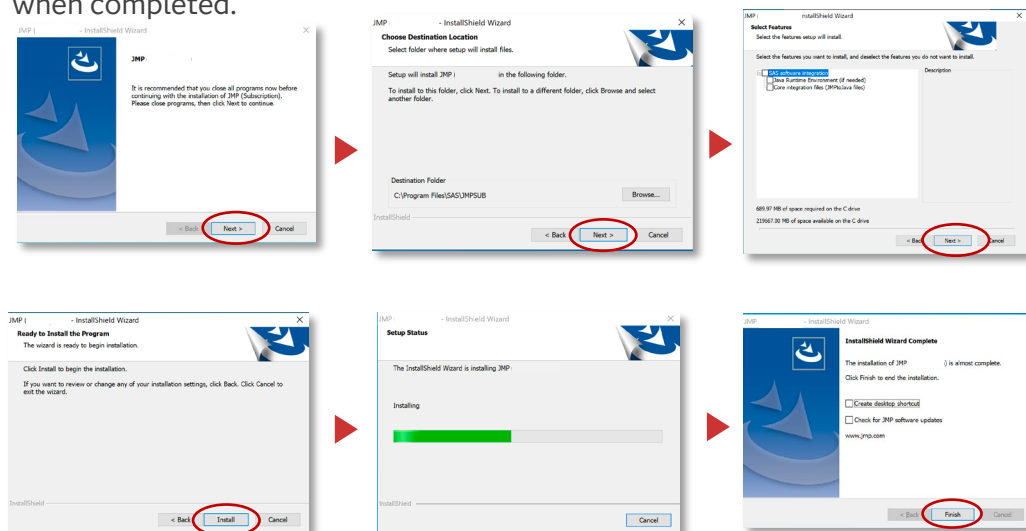

- WIN1.** The JMP Installer will be downloaded to your computer. Depending upon the speed of your internet connection, this may take a few minutes. The file will appear in your Downloads folder.

- WIN2.** Open the JMP Installer by double-clicking on the file.
- WIN3.** To begin the installation process, confirm you wish to allow the app to make changes to your device by clicking Yes. Then choose Setup to extract the installation files.

- WIN4.** Follow the steps to install JMP® Student Edition by selecting Next, Install and then Finish when completed.

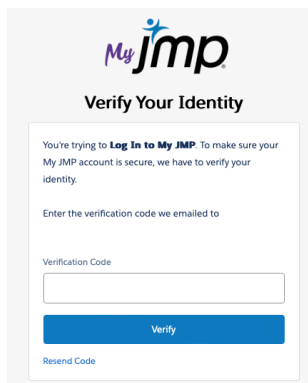

## OPENING JMP® STUDENT EDITION

When you launch JMP Student Edition® for the first time, you'll be prompted to activate by logging into your My JMP account via your email.

A verification Code will be sent to your email. Enter and click Verify.

JMP provides free resources to help you learn to use the software quickly and efficiently for your class.

- New to JMP? Begin with our 45-minute [Getting Started with JMP](#) tutorial.
- How do you perform specific analyses? The [Learning Library](#) provides 2-minute videos with step-by-step instruction and corresponding one-page summaries for most of the common analyses in statistics courses.
- Looking for more learning resources? Visit the [academic webinar library](#) or [Learn JMP](#) for other learning materials.
- Have other questions? Head over to the [JMP User Community](#) to interact with other users and find the latest information.

## APPENDIX

If you are unable to successfully complete the download/installation process, visit our [FAQ page](#) for answers to problems that you may be having.

**2d(1).** If you were instead sent to a page that is not associated with your institution to verify you are a student, faculty, or researcher at an academic institution, complete the requested information.
